Prayer Service for Thanksgiving & Gratitude

Welcome and Greeting

Thank you for taking the time to watch our online prayer service for Thanksgiving Day! This year, so many of us are celebrating Thanksgiving Day apart from our families and loved ones, some of us may be traveling to be with a loved one whose health is declining, and for many, this will be the first Thanksgiving without a loved one. And yet, these past months have brought closer to us both the fragility of our lives and the blessings that each moment of our life brings. And so we offer this prayer service in that same spirit - to remember the many blessings we have been given in our lives.

Give Thanks with a Grateful Heart
