CLOW Family Activity

Directions: Today we celebrate the 6th Sunday of Ordinary Time. In today's Gospel, we hear about Jesus healing the man with leprosy – which is a contagious disease common in Jesus' time. The man who had leprosy had great faith and asked Jesus to heal him. Jesus healed the man – showing us again not to fear those who are sick, but to reach out in love towards them, showing them kindness and care. This week, take some time to pray for anyone you might know who is sick or, if you don't know someone who is sick, pray in general for those who are sick throughout the world. [Teaching Catholic Kids](#) has some ways families can practice praying for the sick.
