CLOW Family Activity

Directions: Today we celebrate the fifth Sunday of Easter! In today's Gospel, we hear Jesus tell us that we are the vine, he is the branch and God the Father is the vine grower. Jesus uses the image of the vine to tell us how connected we are to him and how he wants us to remain close to him. Remaining close to Jesus helps us to feel connected, supported, and cared for – which helps us, in turn, to support and care for one another and the world around us. This week, take some time with your family to think about how connected you are to God and how much we all need God in our lives to help sustain and support us.
