2022

Parish Offertory Obligation Program

Our parish has ongoing financial obligations like any home. By making an annual offertory commitment, you help support your parish's important and immediate operational needs.

A financial promise enables both you and your parish to plan in a mutually beneficial way, ultimately helping us to serve you. We have had a long history of annual commitments from many parishioners and we are most grateful. We ask you to prayerfully consider a sacrificial obligation and complete the form below. Payments can be made in any increment and on any payment schedule that suits your financial situation.

Please complete the following:

Name: _____

Address: _____

Phone Number: _____

Email: _____

Offertory Commitment Amount: \$ _____

Per (circle one): Week Month Quarter Year

In addition, we ask you to consider providing your offertory contributions via online giving. Visit: <https://www.avemarialynnfield.org/giving> to set up an account.

Thank you for considering a sacrificial financial commitment to Ave Maria Parish in 2022. Please respond by December 17, 2021 and return via online, collection basket, at the parish office, or via US mail.
